

**INDIANA TRIO PROFESSIONAL AWARDS  
Nominations due Friday, March 17, 2017**

**LaVerta L. Terry Outstanding Service Award  
(TRIO Professional)**

The LaVerta L. Terry Outstanding Service Award is designed to recognize the contributions of a professional in a TRIO program. Nominees should exhibit those qualities of loyalty to the needs of our TRIO students and to the programs which serve them ABOVE and BEYOND the levels expected from a mere career choice. The recipient should serve as a MODEL to others who work alongside them and as a standard by which all can measure their own effectiveness.

**Bertha M. Jones Memorial Award  
(TRIO Alumni)**

The Bertha M. Jones Memorial Award is given to an alumnus of a TRIO program. The recipient of the Bertha M. Jones Memorial Award will have achieved SIGNIFICANT SUCCESS in their lives; the award is intended to allow Indiana TRIO to celebrate the success of former TRIO students who, without their participation in a TRIO program, might not have had the chance to NOTABLY SUCCEED.

**Rozelle Boyd Outstanding Achievement Award  
(Professional from other venues outside of TRIO)**

The Rozelle Boyd Outstanding Achievement Award is awarded to an accomplished professional from outside of the TRIO profession. The recipient must demonstrate a strong sense of inclusiveness and personal attributes such as loyalty, empathy, and compassion. In addition, the individual is deeply committed to the call to action and demonstrates strong support of underrepresented individuals in higher education.
